German Shorthaired Pointer Puppy/Dog Purchase Agreement

On this _____ day of _____, _____, I/We _____ am/are purchasing a puppy/dog from Lookaway Kennels in the amount \$ _____. This German Shorthaired Pointer puppy/dog is guaranteed to be of quality breeding and free of any congenital defects (hips, eyes, heart). However, should this puppy/dog be examined by the purchaser's veterinarian within 7 days of the purchase, and the puppy/dog determined to have a congenital defect which would prevent them from living a normal active life, the puppy/dog will be returned to Lookaway Kennels at the expense of the owner with all past and present veterinary records/diagnostic reports. Upon return of the puppy/dog a completion of exam/second opinion with our veterinarian or a veterinarian of our choice will be done. If indeed there is a congenital defect found, the full purchase price of the puppy/dog will be refunded.

I/We _____ also agree that we will not breed the puppy/dog purchased from Lookaway Kennels for the purpose of selling to pet stores and/or other associated puppy mills. I/We also agree if unable to provide appropriate care or housing for this dog I/We agree to first contact Lookaway Kennels and agree not to turn the puppy/dog over to any type of rescue/breed rescue or animal shelter, without contacting the above mentioned breeder first.

We recommend that your puppy/dog should have their hips certified by the Orthopedic Foundation For Animals (OFA) at 2 years of age before you consider breeding this dog.
